About Me

Dynamic Frontend Developer with extensive experience in creating engaging, user-friendly interfaces using Angular and TypeScript. Skilled in responsive design and cross-browser compatibility, with a keen eye for detail. Proven track record in project management and collaborative teamwork. Passionate about leveraging technology to enhance user experience and drive business success.

Work Experience

Frontend developer

IT Academy de Barcelona Activa - March 2023 to Present

Project name: *'Ita Challenges'*
- Actively collaborating with the front-end development team at IT Academy de Barcelona Activa.
- Focusing on enhancing user interaction and ease of use through innovative Angular features.
- Ongoing efforts are leading to increased user satisfaction and a noticeable rise in daily application usage.

Project name: *'PeeMap'*
- check this link
- Originated and Developed 'PeeMap' Web Application:
- Solely conceptualized and developed 'PeeMap', an Angular-based application for finding public toilets in Barcelona.
- Hosted the application on Vercel, showcasing its readiness for public access.
- Demonstrated expertise in Angular and Mapbox integration, leading to a user-friendly interface.
- The project, entirely my initiative, is poised to significantly enhance public accessibility and convenience upon broader release.
