SUMMARY

Expert in services and operations with over ten years of experience, I am now exploring the world of front-end development with enthusiasm and freshness. I combine analytical and technical skills with a proven track record in improving customer experience, aiming to create interfaces that delight and facilitate exceptional user journeys. My path is about connecting people and experiences, and I'm excited to do so now in the digital realm.

WORK EXPERIENCE

Frontend developer
Barcelona Activa - August 2023 o October 2023
- Developed a web application called **PeeMap** using Angular, Node.js, and MongoDB to locate and rate public toilets in Barcelona
- Integrated Mapbox for interactive map functionality
and precise location data
- Facilitated real-time search for nearby toilets
and turn-by-turn navigation
- Empowered users to add and rate toilets,
fostering community contributions
- Ensured a responsive design for optimal viewing across devices
